Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

In accordance with the continuing duty of disclosure imposed by 37 C.F.R. §1.56 to inform the Patent and Trademark Office of all references coming to the attention of each individual associated with the filing or prosecution of the subject application, which are or may be material to the patentability of any claim of the application, Attorneys for Applicant hereby direct the Examiner's attention to reference DA listed on the attached revised form PTO-1449. A copy of this reference is enclosed herewith.

Identification of the listed reference is not to be construed an admission of the Applicant or Attorneys for Applicant that such reference is available as "prior art" against the subject application. Consequently, Applicant respectfully declines to use form PTO-1449, since this form identifies the reference cited therein as "Prior Art." As an alternative, Applicant submits herewith one page of a "revised form PTO 1449" entitled "List of References Cited."

Applicant respectfully requests that the Examiner review the foregoing reference and that the reference be made of record in the file history of the application.

Pursuant to 37 C.F.R. § 1.97(b), since this Supplemental Information Disclosure Statement is being filed before the mailing of a first Office Action on the merits no fee is believed to be due. However, if a fee is required please charge the fee to Pennie & Edmonds LLP Deposit Account No. 16-1150.

Respectfully submitted,
